

Day By Day Grade R CAPS Programme

Designed to confidently meet all the CAPS requirements listed by the Department of Basic Education

FOLDER CONTENTS

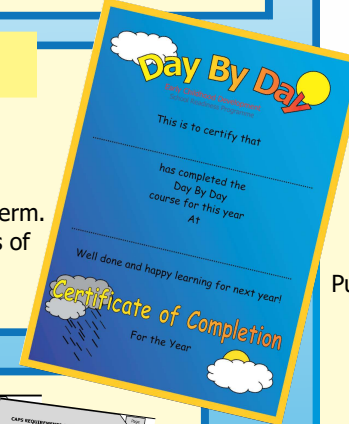

A child's folder, per term, consists of:

- 1 x A4 Life Skills Topics activity pad,
- 1 x A5 activity pad,
- 1 x A2 poster,
- 16 x A6 mathematics cards and
- 16 x A7 language cards.
- 1 x A3 folded end-of-term report

How will I implement the programme?

Follow our topic-based 5 day plans

We have included a **5 Day Plan** for every topic, one for each week of the term. All activities from the **Language, Mathematics** and **Life Skills** sections of the Day By Day programme are integrated in these plans.

PURCHASING OPTIONS

Term by Term

Purchasing flexibility as you are not required to order every term or for every age group.

The cost is spread throughout the year.

OR

Package Deal

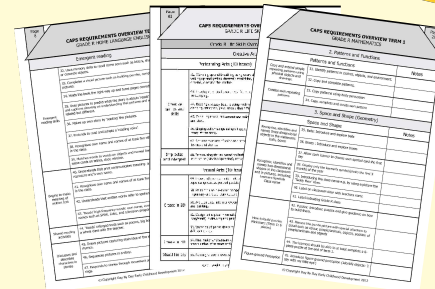

A package deal order is for all four terms. Substantial saving per child per year.

The advantage of having all the material early in the year enables you to plan well in advance.

The cost is spread over 2 payments.

How will I know that I am meeting CAPS requirements for each term?

- There are activities to meet every requirement and all are cross-referenced to the relevant **CAPS Requirements Overview** (which we provide).
- Follow our plan or make your own plan by selecting from our wide range of period-specific activities (**e.g teacher-guided, free play, art activities, routines, etc.**)
- Activities are also arranged by subject (**Mathematics, Language, Life skills**).
- All recommended topics are included plus 7 extra optional topics. The programme covers **41 topics** over the year.

How will I assess the childrens' progress?

Grade R

1. A list of the requirements to be assessed in each subject is provided.

2. Our assessment tools include invaluable class and individual rubrics and checklists to choose between.

3. End-of-term progress reports are correlated to the checklists and rubrics.
